

## ROTARY NOTES

### Australia Day in Samford:

Australia Day is a great day in Samford. "Margaret at the Museum" had terrified workers running hither and thither with threats of excommunication or worse.

However, the work done at the Samford Museum is a credit to the local volunteers and each year this facility is improved and has become a local icon. Swimming Pool Mayhem

At the community hall we could hear what sounded like another chainsaw massacre at the pool. Reliable sources suggested it was the swimming events getting under way. Community Hall Duress - The Samford Valley Rotary Club forcibly convinced 29 tourists to become Australian citizens. Peter Dutton, Member for Dickson, Bob Millar, Morton Bay Councillor, Peter Gloor, standover man from Cedar Creek and persons purporting to represent some immigration organisation dropped nets on tourists having a picnic in Wahminda Park.

They were rushed to Samford and amid sobs and howls of anguish pledged to become loyal Australians. Next year we will get 100. Peter Dutton thank you again for hosting this excellent function, Samford Valley Rotarians view it as a highlight of the year.

**Community Flood Relief Concert:** In response to the devastating floods in Queensland the Samford community responded with an excellent concert at the Community Hall. A number of community bodies and generous musicians produced a great night.

When community bodies get together to organise such an event, we know why we like living in this area. When members of such subversive cults as the dysfunctional Thursday

morning tennis group at Wahminda and uncoordinated Friday morning gym & coffee group offer to bring supper to a community function, we know that there is an immense amount of good in the world.

**Food Stolen:** However, there is always someone who causes grief and unhappiness. MYGYM generously made their refrigerator available for those wishing to send supper to the flood relief concert. Who took someone's rice and beef lunch, placed it among the supper dishes and had it delivered to the hall? An undernourished gym person fainted twice during the afternoon.

**Honourable Geoff MP:** Geoff Wilson, Minister for Education and Training is a marvellous supporter of local functions and donated a raffle prize. Geoff's name was not read out during the raffle draw and he left the hall talking about cutting educational funding to the Samford schools.

However, all is back on a level footing as six members of Rotary have offered to act as Minister for Education on a weekly basis while Geoff takes a holiday.

Both of these heinous crimes were committed by someone resembling Brian Hansford. Brian transferred to the West Siberian Rotary Club yesterday and starts work Monday in the Rotary owned salt mine.

## Commercial / Retail Space for Lease

6 Main Street, Samford

Area: 48m<sup>2</sup>
