Rotary Notes

Debating with Albany Creek

The Rotary Club of Samford Valley has been an extremely strong club in debating over the last 25 years and as a consequence has experienced difficulty in getting other Rotary clubs to enter into a debate.

Five years ago Albany Creek club agreed to engage in an annual debate on the condition that Samford would occasionally "play dead". This was the year to allow Albany Creek to win and they did by a massive margin of one point.

Samford was represented by Simon Grant, Eric Lease and Philipa Bensley.

September 2nd is Golf Day at Keperra

On Friday, September 2, Samford Valley

Samford and Albany Creek Debaters: Albany Creek holds the valuable Grecian urns.

Rotary is holding a charity golf day at the Keperra Golf Club. We need players, sponsors and bouncers for this event.

For those who have never played the game there will be coaching prior to hit off. Well known professional golfers Dr Janelle Young and Baz Walker will be running these free lessons.

Gardening and Samford Typing and Copy Centre

When the Samford community held a concert to support the flood relief effort a series of raffle prizes were won by various people. Chris, the owner of Samford Typing and Copy Centre won an elite prize of Samford Rotarians coming around to do some gardening. Chris, being a very generous person gave this prize away to a friend in Arana Hills.

This prize was to be organised by Brian Hansford, an unreliable person even on his best days.

He refused to organise the gardening until Chris had disposed of the anacondas, cobras and gorillas that frequent gardens over the range.

This has been attended to and the gardening is about to commence. Thank you for your support Chris.

Rotary

There are over 1.2 million Rotarians in clubs around the world. There are fewer than 34,000 Rotarians in Australia and in the Samford area there are clubs at Mitchelton, Albany Creek, Stafford, Strathpine, North Lakes and Ashgrove-The Gap.

These clubs vary in size from approximately 15 to 50 members, but there are clubs with over 100 members.

If you join a club such as Samford Valley, you are entitled to visit and eat with any of the 34,000 Rotary clubs scattered around the world.

Arana VIEW Club

Luncheon Meeting

The Arana VIEW Club meets on the first Wednesday of the month at the Arana Leagues Club, Dawson Parade, Keperra, 10:30am - 2:30pm. Two course lunch incl tea & coffee - \$22.00. Guest speakers, Bring & Buy Table. Arana VIEW welcomes new members and visitors to our meetings and activities. Bookings by 4pm the Monday prior - Joan 3351 4438/Thea 3851 3316.

VIEW Clubs provide women of all ages with an opportunity to enjoy friendship and social events. Activities additional to club meetings such as tours, theatre trips and coffee mornings, are also offered.

Funds raised are used to provide education scholarships for over 500 students and personal support programs for disadvantaged children within the Learning for Life programs.
